You benefit from Co-op Connections®!

Santee Electric Cooperative, a Touchstone Energy® cooperative, is proud to be an integral part of the communities we serve. That's why we're introducing Co-op Connections, a new program that helps you receive discounts on products and services from participating local and national businesses.

FREE to all members

Each member of Santee Electric receives the Co-op Connections card free. There's no signup. No annual fees. You get your Co-op Connections card simply because you're a member of Santee Electric.

Valuable discounts

- Look for the Co-op Connections stickers in windows at local businesses.
- Show your Co-op Connections card and get valuable discounts from participating businesses.
- Your card also entitles you to substantial pharmacy discounts nationwide!
- Watch for updates in the *Living in South Carolina* magazine, our newsletter and website.

Watch the mail for your FREE Co-op Connections card!

In late May or early June you will receive a card and key fobs for your household. Just one more way you benefit from being a cooperative member.

Touchstone Energy is a nationwide alliance of more than 600 not-for-profit electric cooperatives. Each is member-owned and dedicated to upholding the cooperative principles of innovation, integrity, accountability and commitment to community.
