## Let's go to the rodeo March 21!

**THERE'S NO QUESTION** that what our linemen do on a regular basis is pretty cool. They brave hazards (bad weather, heights and electricity) that most of us work hard to steer clear of. Most importantly, of course, they keep our lights on!

However, did you know there are events that allow them a chance to show off their superpowers? One is the South Carolina Lineman's Rodeo, and it is coming up on March 21.

Santee Electric Cooperative and our neighbor, Black River Electric Cooperative, are teaming up to host the Lineman's Rodeo in the Clarendon County Industrial Park near Manning that Saturday. Cooperative linemen from all over the state will be there to show off what they can do. The best part is that it's open to the public and free to attend.

What, you might ask, does one see at a lineman's rodeo? There are numerous events for individual linemen as well as three-man crews. Who can climb the fastest? Who can lift heavy objects? Who can operate machinery with the most skill? Who can change out an assembly at the top of the pole the fastest? And

Santee Electric Cooperative and Black River Electric Cooperative are co-hosting the South Carolina Lineman's Rodeo on March 21 at the Clarendon County Industrial Park.

always—who does it in the safest manner? All these questions will be answered.

There are events for relatively new linemen, called apprentices, and there are also events for our more experienced folks, typically referred to as journeymen. Family members, kids, folks of all ages come out to see how our linemen perform.

If you have a young person in your family who is interested in becoming a lineman, this event is a great opportunity to see what linemen do. Maybe you are just interested in seeing it for yourself. It's a great deal of fun.

The event starts at 8 a.m. and runs all day long. The location is on Joe Rogers Boulevard in Manning near Exit 115 on I-95 (Highway 301 exit). There will be plenty of signs directing you to the event. Come on out and be entertained!

We hope to see you there. Have a great month.

**ROBERT G. ARDIS III**  
 President and Chief Executive Officer

ERIN NICHOLS

At the Lineman's Rodeo, electric linemen from across the state compete in events to showcase the skills, safety, and knowledge needed to be a lineman.

## We can help your house

**ARE YOU LOOKING** to improve your home's energy efficiency but aren't sure where to start? Santee Electric Cooperative's Help My House program is an excellent place to begin.

This program provides a simple and affordable path to making meaningful energy saving upgrades to your home—without requiring any upfront money. Through a no money down, low-interest loan, Help My House makes it easy for homeowners to reduce energy use and lower monthly electric bills.

The program can finance a variety of improvements, including installing a new heating and cooling system (HVAC), adding insulation and sealing windows and doors to prevent air leaks. These upgrades can greatly

enhance comfort while reducing energy waste. On average, members who participate in the program save around 25% on their monthly electric bill, offering long-term financial benefits in addition to improved home efficiency.

If you decide to participate, an SEC energy expert will conduct a comprehensive home energy audit to determine whether your home qualifies for efficiency upgrades. If eligible, you'll be referred to a certified program contractor who can complete the recommended improvements. Your zero down, low-interest loan can be conveniently repaid right on your monthly SEC bill.

To learn more about the Help My House program, visit [santee.org/help-my-house](http://santee.org/help-my-house) or call (843) 355-6187.

## Apply for scholarships by March 26

**DON'T MISS** the chance to apply for these great opportunities.

### Annual Meeting Scholarship \$500

Eight winners will be selected—two from each county: Williamsburg, Clarendon, Georgetown and Florence. Winners will be drawn at the SEC Annual Meeting on April 14.

### Empower the Future Scholarship \$1,000

Available to seniors attending high schools within SEC's service area.

### Operation Round Up Scholarship \$2,500

One student will be selected from each of the four counties served by SEC.

For applications and details, visit [santee.org/sec-schools](http://santee.org/sec-schools).

## WINTER PEAK HOURS END MARCH 31

November 1- March 31  
6 a.m. - 9 a.m.

## SUMMER PEAK HOURS BEGIN APRIL 1

April 1 - October 31  
3 p.m. - 6 p.m.

## SAVING TIPS

Avoid using multiple high-energy appliances—such as your water heater, HVAC system, and clothes dryer—at the same time during peak hours. When possible, use them before or after the peak period.

Manually adjust your thermostat so your HVAC system runs less during peak hours. Pre-cool or pre-heat your home before peak hours (when energy costs less) to reduce usage later. A programmable or smart thermostat can automate this for you.

Limit hot water use during peak hours. Consider installing a timer switch on your water heater to shift its energy use to off-peak hours, when energy costs are lower. You'll still have hot water during peak times, but the heater itself won't be running.

## Staying plugged in

**FORMER U.S. HOUSE SPEAKER** Tip O'Neill once famously said, "All politics is local." For the members of Santee Electric Cooperative, that means the people speaking on your behalf at the South Carolina State House are co-op employees who live and work in your community.

What happens at the State House has a significant impact on your community and your wallet. Frequently, state lawmakers consider bills that affect the cost of electricity and our ability to provide it safely and reliably. That's why having and maintaining a good working relationship with the men and women you've elected to represent you is a critical part of our role as your electric cooperative.

Last year, the General Assembly passed the Energy Security Act, which addressed the growing strain on our state's electric grid, opened the door for additional power generation, streamlined the regulatory processes and placed long-term grid reliability at the forefront of South Carolina's energy planning. These were changes Santee Electric had been advocating for a long time, and we're thankful that lawmakers listened and understood the need for a new, smart energy policy.

JOSH P. CROTZER

Representative Carl Anderson (center), talks about energy issues with Jay Kirby, SEC vice president of Public Affairs (right) and Kevin Myers, SEC manager of Marketing, at Co-op Day at the State House in 2025.

Each February, Santee Electric's board trustees, members of our staff and some of our lineworkers participate in Co-op Day at the State House. On Feb. 19, we gathered with hundreds of others from South Carolina's electric cooperatives to thank lawmakers and express a vision for a future that keeps electricity safe, reliable and affordable.

Rest assured, when it comes to energy-related matters, Santee Electric is your voice at the State House.

A white Generac generator unit is positioned in a garden. The unit has a 'Response 22kW' label on top and the 'GENERAC' logo on the front. It is surrounded by green plants and yellow flowers. In the background, there is a brick wall.

# Unclaimed Capital Credits

**SANTEE ELECTRIC COOPERATIVE** has unclaimed capital credits for the following persons. As required by the state statute, this list identifies the names and last known address of the members whose unclaimed amount is \$50 or more. If your name appears

on the list, please contact our office at (843) 355-6187. If you recognize a name and know the location of the person, please have him/her contact our office. In order to claim capital credits for a deceased member who was married, the surviving spouse can claim the

credits. If both partners of a membership have passed, the cooperative can reissue the unclaimed in settling the capital credit estate upon receipt of an official copy of the death certificate and letter of administration issued by the Probate Court.

# Managing your account has never been easier...

...tap into your Santee Electric account anytime, anywhere with our free SmartHub app!

From making a fast payment to reporting a power outage, the Santee Electric SmartHub app gives you a quick and easy access to your account.

Available for all smart devices like iPhones, iPads and Androids.

The SmartHub app also lets members:

- ◆ review payment history
- ◆ check on monthly electric usage
- ◆ stop and start service
- ◆ request maintenance

Just download the Santee Electric SmartHub app for free on your smart phone's app store.

Once you download, simply follow the directions to connect your account and you're all set!

For more information, visit [santee.org](http://santee.org).
